

Let your child have an ARTventure this summer! Join the amazing teaching duo of Amy Bower and Kelly Smith as they introduce your child to famous artists and explore various art mediums and styles. Be sure to buckle up for a different ARTventure each day as we experience the foods, music, games and culture of each artist's country of origin.

Liberate the inner artist in each child. Celebrate their vision and inspire them to dream.

Come take an
ARTventure with us
this summer

Parents are delighted to see all of the
creations that their children make over
the week.

Each day is jammed packed full of
artventure.

Studying a different artist each day,
allows us the opportunity to explore
different cultures through art and food.

We have time set aside for a variety of
games. Some of them allow us to get
soaking wet to help us cool off on our
hot days.

A guest chef will help us with one of our
cooking projects.

Loads of fun are to be had again this
year at ARTVENTURE!!!
